ENDLESS™ DUNGEON

CARTIE

HERO STORIES

This here tale begins right here in the Station...

...a hell of a long time ago.

Back when its inhabitants were a little less aggressive.

Mostly.

Cartie was a hardworking Harahara...

...who loved hoarding whatever she could.

Might seem like a strange hobby...

Cept in this case, ...

...that odd little hobby saved her life.

KLANK

Unlike the rest of her family.

Fast forward a few milennia...

15000 YEARS LATER

...and the new tenants...

...are cleaning up the old ones.

Sooner or later... someone was going to pop open that chest...

..with an itchy trigger finger...

...looking for treasure.

And if you ask 'em...

...they'll definitely say they found one.
